FLEXFIT

6590

Organic cotton is produced using techniques that are healthy and safe for the environment and the people who work and live near the fields where it's grown. Organic cotton is never grown with synthetic chemical fertilizers, pesticides, herbicides or defoliants, nor is it genetically modified in any way.

- 100% organic cotton
- low sweep profile
- pesticide-free organic cotton that stays airy and breathable under summer skies and sports workouts.
- sizes: S/M, L/XL
- colors: black, khaki, Lt. blue, loden, navy, white
- contents: 98% organic cotton, 2% spandex
